The Computing Entrepreneurship Evening is a forum for undergraduate and graduate CS/CE students to present their entrepreneurial ideas and to interact with local entrepreneurs. Students can enter the business plan competition and present their ideas as posters. A jury formed by local entrepreneurs will award prizes.

Students seeking internships should bring their resume and portfolio. In addition, they may present posters highlighting their projects.

To enter the business plan competition please email your Executive Summary (max. 5 pages) to Simona.Doboli@hofstra.edu by April 28th.

For details please contact Dr. Simona Doboli (Simona.Doboli@hofstra.edu) or Dr. Xiang Fu (Xiang.Fu@hofstra.edu)
